Received letter No C2 PR SE-34/53-St. D. 4.8.53 from the Municipal Commissioner, Vizag forwarding his resolution dated 30.6.53 of the Municipal Council recommending sanction to the continuance of the establishment for the maintenance of water supply at a cost of Rs 1692/- per year

As per Rule 27-D of the Municipal Accounts Manual, the Municipal Council is competent to sanction this establishment for a period of six months at a time the establishment is being continued as reported, from several years the question of disbanding this establishment does not seem to arise at all having regard to the work for which it is entertained. If sanctioned for one year, it will come up for sanction every year. It is therefore for consideration why permanent sanction should not be accorded. The Municipal Commissioner may be consulted in the matter and for the present, sanction may be accorded for the current year.
